Hi Todd. I filled out those forms online two different times and sent to me. When I followed up after they kept emailing them asking if I would vote. I voted in favor of them. In fact I excepted each and everyone of those visions and read them thoroughly. Something in the system is losing the. Responses.

You can consider us in full support of the changes.

Thanks.

By the way, I remember now beginning autologous stem cell transplant treatment.

Best.
